

COMMERCIAL BUILD/RENO CHECKLIST

PLANNING PHASE

- Set Your Goals, Engage Stakeholders, and Establish a Budget: Once you've outlined your project objectives, secured stakeholder approval, and set a budget, you're ready to move forward with your project.
- Aluview Assists with Regulatory Adherence: Rely on us to ensure your designs are within the regulatory framework in your area. Our knowledge and experience can help you navigate these critical considerations during the conceptual phase.
- Choose Aluview for Your Project: Send your project details to Aluview for a detailed proposal. We pride ourselves on delivering high-quality installations tailored to your needs, within your timeframe and budget.

IMPLEMENTATION PHASE

- Plan Your Project Schedule with Aluview: Coordinate with our team to create a timeline that minimizes disruptions to your operations.
- Review Designs and Mockups: Aluview ensures you are included in every step of the process. Before we commence work, we'll present designs or mockups for your review and approval.
- Monitor Project Progress: Regular check-ins with the Aluview team will keep you updated on the project's status and ensure any issues are addressed promptly.

EVALUATION & MAINTENANCE PHASE

- Post-Installation Evaluation with Aluview: We guarantee our workmanship. Upon completion, we'll conduct a detailed walkthrough to ensure the installation meets your expectations and our high standards.
- Aluview Assists with Future Maintenance: Understanding the importance of regular upkeep for your new installation, Aluview can help set up a maintenance schedule. Our goal is to keep your installations in optimal condition, thereby securing their longevity.
